

Enhancement Solutions

Improved test scores show that technology has the power to **enhance learning** in the classroom. When implemented to its full potential, classroom technology has the power to do more than just elevate learning. We have also engineered our equipment to **support teaching, administration, safety, and parental involvement.**

Audio Solutions

Audio Solutions ensure that every student can hear a teacher's natural voice no matter where he/she sits, thanks to the innovative teacher microphone.

- Improve student achievement
- Promote classroom management
- Increase student attention
- Reduce teacher vocal strain
- Amplify digital media by connecting it to the microphone or amplifier
- Encourage student engagement with a pass-around student microphone

SAFE System™

The SAFE System allows teachers to discreetly send a request for assistance by pressing the alert button on the Audio Enhancement teacher microphone.

- Receive an immediate notification from a teacher
- Check a live audio and/or video stream of the classroom to assess the situation before entry
- Give teachers, parents, and school administrators peace of mind

VIEWpath®

VIEWpath allows teachers to record themselves as part of their professional development. The user can create and manage audio/video content to optimize the teaching and learning experience in the classroom, at home, or in remote locations.

- Strengthen teacher self-evaluation
- Facilitate remote educator evaluations
- Build a culture of teacher-peer coaching and best practice sharing
- Pre-record lessons for substitutes or flipped classrooms
- Allow students and parents to review at home

Intercom, Paging, and Bells

This IP system uses audio equipment to provide hassle-free intercom, paging, and bells functionality.

- Separate classrooms and hallways into paging zones
- Page a classroom, zone, or the entire campus
- Integrate existing SIP/IP-based phones for intercom and paging
- Customize school bell schedules in a simple user interface
- Use paging zones to ring bells in some rooms or hallways, and not others, on special days
