VR-ANT	\$499.00	Anatomy System License - Explore human anatomy like never before. The HamiltonBuhl® VR Anatomy Experience gives students access to a powerful new way to learn about the human body. Anatomically-correct models will be displayed right before their eyes, and students can choose which major organ systems they want to explore. <u>Circulatory, respiratory, digestive, nervous and skeletal systems are all included – just a small portion of all the content available.</u>
VR-CHEM	\$499.00	Chemistry Quiz License The HamiltonBuhl® VR Chemistry Lab is an exciting way to quiz students on material they've been learning in class. Match elemental compounds with their correct names and see as a 3D model of the molecules appear on the desk at the front of the virtual classroom. Retention will skyrocket as VR Chemistry Lab <u>keeps kids' attention throughout the entire experience.</u>
