Verkada

One Platform to Simplify Campus Safety

With the sheer size of many higher education institutions, physical security is an ongoing challenge that staff and administrators face. By bringing physical security to one easy-to-use platform, Verkada makes it simple to secure throughout campus grounds and automate emergency response.

Protect your campus perimeter

Speed up response

Improve reliability and minimize costs

Key benefits

Lockdown doors in seconds

Lockdown doors from a panic button, web browser, or mobile app, while still allowing first responders access.

Monitor campuses from anywhere

Find, save and share footage on-the-go. Plus, share live camera feeds with local authorities in seconds.

Detect vaping and hazing

Leverage integrated sensor technology to detect smoking, vaping and elevated noise levels in dorms, bathrooms and locker rooms.

Reduce administrative overhead

Automate manual tasks with visitor and delivery management software that pairs seamlessly with video security.

Proactively deter threats

Set proactive alerts for Motion, Vehicles, or People of Interest to be notified of intruders or suspicious afterhours activity.

Secure campus facilities

Set door schedules around class and office hours, along with site and role-based access to privileged areas.
