

New name. Business as usual.

Fujitsu Document Scanners are now Ricoh Document Scanners.

The Leader in Document Scanners

- Unmatched performance and quality
- Customer-centric innovation
- Market share leader
- Superior customer service

Welcome to the next chapter in scanning excellence.

RICOH
imagine. change.

As our name changes, we will continue to redefine document scanning, push the industry forward with innovative products, and help you move forward in your digital journey.

Image Quality

Industry leading capture and built-in software deliver optimal images for more usable data.

Document Handling

Advanced paper handling capabilities reduce paper jams, resulting in uninterrupted workflows.

Dependability

Built-to-last design and top-rated customer service ensures your team can count on us.
